45. SPROUT • Peter DOURLIN • PAUL • DIERENBROEK • Pieter DIJMAN ✓			Went to field 2. 9.3243. O.D. transmitter reported 23.6.43 that a parachutist agent named DOULIN with seven others had been arrested. This did not seem to S.O.E. to refer to SPROUT. No mention of him beyond news of his arrival occurs in communica- tions from HILL & KALE. SPROUT was in possession of "Marius" password, said by O.D. transmitter in above message to be known to the Germans. Is now known to have escaped from the Germans and to have reached this country. Case at present under enquiry.
